LOCATION

The subjects are situated in the Fearnoch Buildings, within the Fearnoch Forest area of Argyll and Bute. Fearnoch is a popular destination in the heart of the Scottish countryside and is located approximately 70 miles northwest of Glasgow and 20 miles south of Oban.

The A85 runs directly through the area and acts as one of the main access roads between Tyndrum and routes throughout the west of Scotland, thus carrying high levels of vehicular traffic. The surrounding area offers a range of outdoor activities with various walking routes and Loch Awe situated in the nearby vicinity.

DESCRIPTION

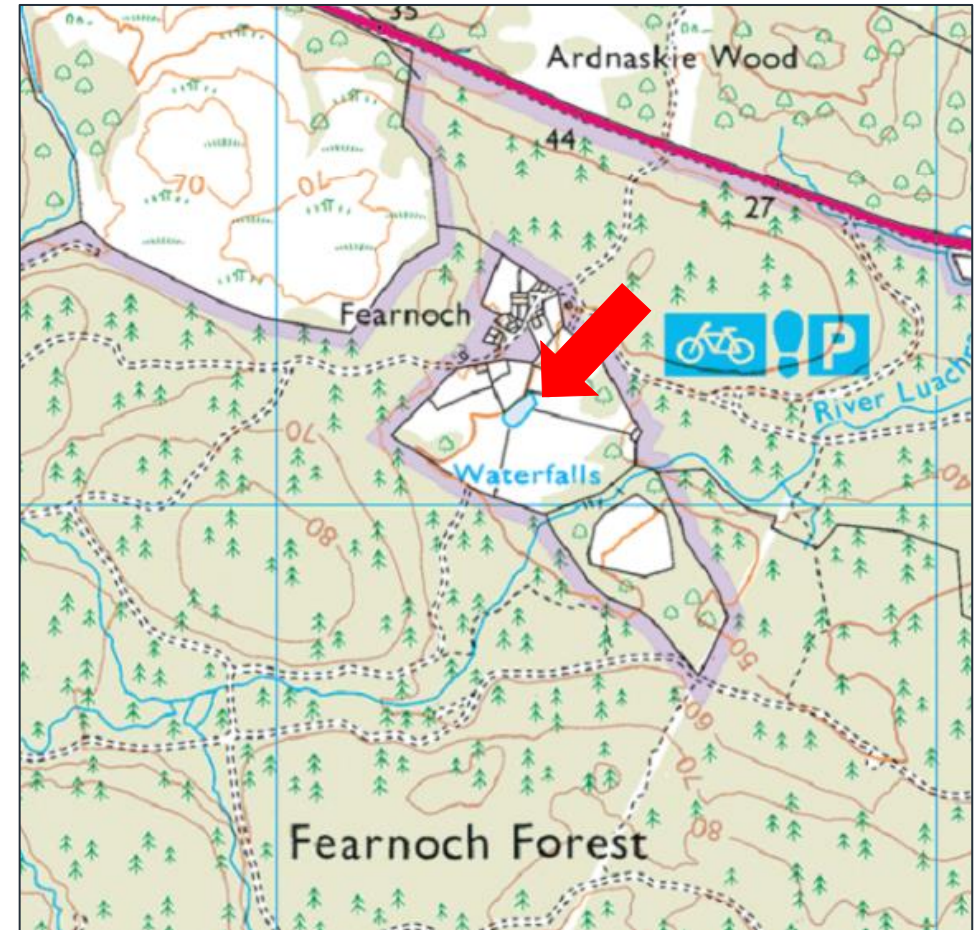

The total site area extends to approximately 0.083 hectares (0.205 acres). Please refer to the legal pack for further information.

The subjects comprise an irregular shaped site that runs adjacent to the A85. Entry to the site is gained from the nearby access road, and the configuration of the site would lend itself towards a variety of uses subject to planning. The site is covered in a mixture of buildings, vegetation and woodland.

We would strongly recommend that any prospective purchaser satisfies themselves with the full extent of the subjects by reviewing the full title and legal pack relating to this disposal prior to purchase. The information provided is indicative only.

RATEABLE VALUE

It appears that the subjects are not entered within the current Valuation Roll. Prospective purchasers are advised to make their own enquiries.
