The subjects are located in the town of Lanark forming part of South Lanarkshire Council, approximately 25 miles southeast of Glasgow. The town has a population of approximately 9,000, according to census data 2022.

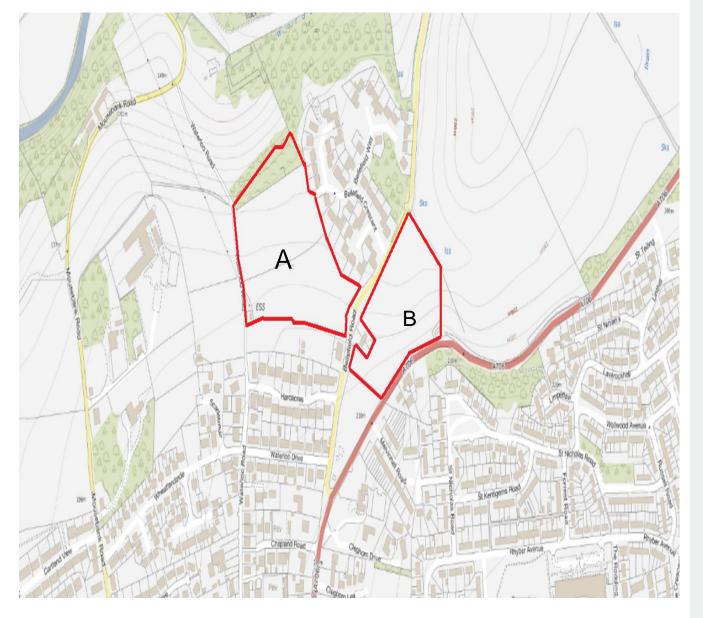

Lanark benefits from strong transport links with Hamilton just a 25-minute drive, Glasgow is less than a 45-minute drive and Edinburgh less than 50 minutes. Lanark Railway Station, which is located approximately 1 mile from the subjects also provides frequent services into Glasgow Central.

Lanark Grammar School located approximately 2 miles from the subject, serves as the main secondary school for the area which is complimented by three primary schools.

Lanark Town Centre offers a diverse range of occupiers consisting of independent boutiques, local shops and larger national occupiers such as Morrisons, Tesco and B&M.

The subjects extend to two parcels of land with frontage onto Bellefield Road. The sites consist of mostly rough ground which appears to be relatively level.

The north side of both site A and B is bounded by a housing estate which was developed by Cala Homes, during the early 2000s. To the south, both sites are within close proximity to Lanark Town Centre with the A706 also running parallel to the southern boundary of Site B, enhancing the sites accessibility.

The site areas extend to the following opposite areas:-

Site A – 3.363 Hectares (8.984 Acres)

Site B – 2.2 Hectares (5.436 Acres)

Total – 5.836 Hectares (14.421 Acres)

The sites are available in whole or in part
