LOCATION

18 George Street occupies a prime position within the heart of Edinburgh's Golden Rectangle, situated on the south side of George Street between Hanover Street and St Andrew Square. The building is highly accessible and is situated close to Waverley Station, Edinburgh's main railway station, St Andrew Square bus station, and the St Andrew Square tram halt. George Street remains the most popular location for office occupiers principally due to the large number of amenities and facilities locally. The immediate vicinity provides an abundance of retail, pub, restaurant, and leisure facilities.

DESCRIPTION

18 George Street comprises a modern office building arranged over 6 floors behind a period façade. The office accommodation has undergone major refurbishment in recent years including a sleek entrance with level access directly onto George Street via a feature staircase, two passenger lifts, male and female toilets, a secure 24hr entrance access system, and shower facilities.

The 2nd Floor suite offers an open plan space suitable for up to 20 desks & benefits from a tea preparation area. The suite has recently been refurbished & fitted out to a high standard, limiting potential fit-out costs for an incoming tenant.
