Description

737 POLLOKSHAWS ROAD, STRATHBUNGO, GLASGOW, G41 2AA

The subjects comprise a recently refurbished retail unit arranged over ground and basement floor, forming part of a larger three storey plus basement tenement block. The subjects benefit from an attractive glazed frontage, directly onto Pollokshaws Road.

At ground floor level the subjects provide a main sales area with a timber staircase to the rear providing basement access.

At basement level they provide a fitted kitchen, fitted toilet, office space and storage space. The basement has been fully tanked, and further benefits from extra storage space at this level.

The subjects are presented in a walk in condition ready for occupation. The subjects were owner occupied previously, and as such have benefitted from a high level of finish and maintenance for several years.

Given the subjects size, location and condition, the subjects will appeal to both owner occupiers and investors alike.

RATEABLE VALUE

The subjects are currently entered into the Valuation Roll at a rateable value of £7,800. The rate poundage for 2024/2025 is 49.8p to the pound. As such, incoming occupiers may benefit from 100% rates relief via the small business bonus scheme.
