KIRKCUDBRIGHT, DG6 4DJ

The subjects comprise a ground floor unit that was skillfully converted for Class 3 use circa 1999 and boasts high standard fixtures & fittings throughout.

The unit forms part of a larger three storey building of traditional stone construction surmounted by a pitched and slated roof.

The attractive sales frontage is of moulded timber design with three-quarter height sales window and a recessed entrance door, all under a retractable awning.

A subsequent single storey brick extension has been added at the rear.

A shared pedestrian pend connects the footpath on St Cuthbert Street to a rear yard, which the subjects hold access rights across.

Private external storage is provided within a concrete surfaced courtyard.

The internal accommodation extends to an inviting open-plan dining area, added rear dining area with sales counter & prep space beyond, a spacious kitchen, two accessible toilets & baby changing facility, private office, and storage cupboards.

The unit is presently furnished to provide 36 internal covers and 6 external covers on the public footpath, with scope to increase capacity if desired.

The property is well appointed with a tasteful interior design and therefore delivers a genuine walk-in condition.

The Business

Mullberries was first established by the current owner in 1999 and has since grown into a reputable business with loyal local customer base, whilst also being impeccably positioned to capture passing tourist trade.

In addition to barista coffee, beverages, sweet treat and desserts, the current menu offers wholesome homemade breakfast & lunch items together with light snacks and street food.
