Location

DEVELOPMENT LAND, ROSEHALL ROAD, SHOTTS

The subjects are situated within the popular town of Shotts, located within the central belt of Scotland some 24 miles to the east of Glasgow City Centre and 28 miles to the west of Edinburgh.

Shotts benefits from fantastic transport links, with Junction 5 of the M8 motorway to the north, connecting the town with Glasgow and Edinburgh and the A71 to the south connecting to the M74 and wider national road network. Shotts is located around 3 miles to the northeast of Newmains where a wide range of local amenities such as supermarkets, schools and public facilities can be found.

The site itself is located along Rosehall Road to the immediate south of the town centre, in a largely residential area. Commercial occupiers within the vicinity include John Brown & Sons, Moffat Butchers and Rosehall Manor Care Home.

The location map is provided for illustrative purposes only.

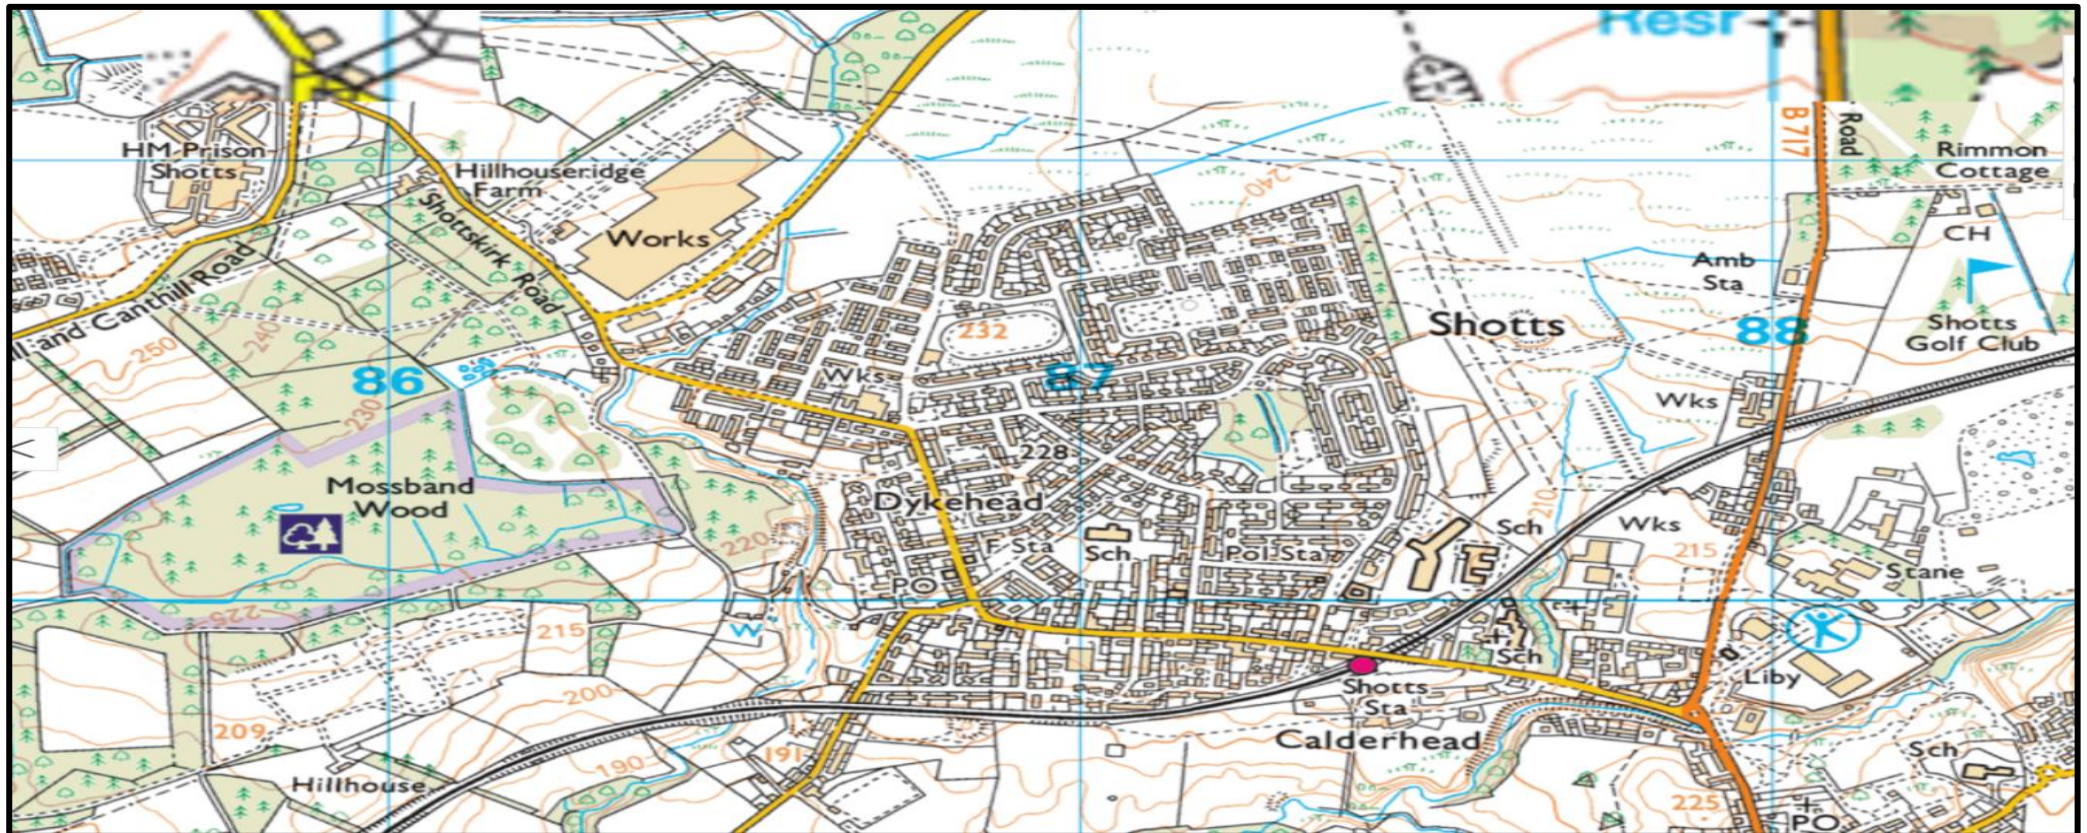

Description

The subjects comprise an area of land with a frontage onto Rosehall Road, Shotts. The site consists of a fairly regularly shaped site, of mostly rough ground which appears to be relatively level. The site is currently uncleared.

Given the prominent position of the site, the site may suit future redevelopment subject to obtaining the appropriate planning consents

Using Promap digital mapping, we calculate the site area to extend to approximately 1.53 Hectares (3.78 Acres).
