LOCATION

Dundee is located on the east coast of Scotland approximately mid-way between Aberdeen (circa 105 kilometers (65 miles) to the north) and Edinburgh (circa 96 kilometers (60 miles) to the south) overlooking the Tay estuary and has a resident population of circa 150,000 persons and a catchment of some 500,000 persons (source: Dundee City Council).

Dundee is Scotland's fourth largest city and is the regional centre for employment services and retailing within Tayside.

The city has its own airport with daily flights to London (Heathrow) and sits on the main East Coast Railway Line which runs services into London (Kings Cross).

The ongoing regeneration as part of the waterfront development has been well documented and the opening of the V&A Museum has helped establish Dundee as a major regional centre.

The building of which the subjects form a part is located on Albert Square at the corner junction with Chapel Street and the junction with Commercial Street part of the Central Business District.

The property is adjacent to Mcmanus Art Gallery and Museum
